BROOKLYN OFFICE

I hope & pray that upon receiving this message, it finds you and your family in the Best of health & spirits.

I am sorry to say that I have no idea as to the function of the pro-se office! I am writing because I received an up to date Criminal docket sheet for case #:(1:99-cr-01104-SJ-4)
 case title: USA V. Pimentel
 related case: 1:20-CV-01799-SJ

I am writing in hopes that someone can help me. I received a copy of a letter/ Brief from the A.U.S.A Anna L. Karamyris indicating that they agree with my 2255 successive petition for a writ of habeas corpus and that my 2 convictions under 924(CS & 924(JS) must be vacated. I've written to the clerk of court seeking clarification to this letter that I received on May 18TH from the A.U.S.A. I still have not received a response or clarification as to what this letter

Means. I am trying to find out if I will be Mandated Back to court And or when will my 2255 Successive be put on the Criminal docket sheet to appear in front of judge sterling johnson jr. I would really appreciate any help or advice you may give me.

Sincerely

George Vernet
